

Note from the GM

We got through the summer with Lake Whitney staying near normal lake levels, and now is the perfect time to come down for a leisurely cruise on the lake and a round of golf followed by a relaxing evening on the Lighthouse patio watching the sun set. The deer and turkey are everywhere!

Carrie Holden, our Food & Beverage Manager and White Bluff homeowner is planning something special for Halloween and Thanksgiving. Call 254-694-4000 now for reservations. The menu for Thanksgiving will be on the website as well as the plans for Halloween.

As always, keep our service men and women, as well as our local law enforcement, in your hearts and prayers.

Thank you,

Fred Molsen
General Manager

Lodging

Finally, summer is done! Back to school time and back to cooler weather! This is the perfect time to book a special getaway at White Bluff Resort. Whether you like to play golf, or you prefer to relax and enjoy the beautiful scenery, we have it all for you here. Contact our friendly Front Desk Agents at 254-694-4000 or Central Reservations at 888-335-8881 to reserve today.

Shari Snow, Lodging Manager

From the Golf Pro

Fall is always a favorite time of year! Football season is just about to start, the weather gets a little cooler, and the year end holidays are almost here. Plan a fall trip and invite your friends down for some golf and relaxation.

As always, if you would like to schedule a lesson to get your game back on track, don't hesitate to call me. I look forward to seeing you and your guests this fall.

Steve Reband, PGA

Dining

Summer has finally given way to shorter days and cooler nights. That will make the perfect setting for Fall and Winter ahead. As we know, White Bluff will be blessed with beautiful seasonal colors, abundant wildlife and the smell of firewood burning in the air.

Hi, I am Carrie Holden, your Food & Beverage Manager. We hope you will take every opportunity to enjoy the changing seasons by joining us at the Lighthouse Restaurant and the Trophy Grille for live entertainment, great food, and beautiful sunsets. We will continue our summer tradition through Fall and Winter with live weekend entertainment on the deck, weather permitting, and will move inside when needed. There will be plenty of good music for your listening or dancing pleasure along with the all time flavorful "Bluff Bombs" and more.

As your taste buds savor the holiday spirit you can look forward to the annual Thanksgiving feast where you will find all your favorite dishes and desserts. Keep an eye on the monthly calendar of events for special menus and holiday events. The Trophy Grille will continue its weekly Wednesday specials and Thursday catfish specials.

Lastly, there are no better venues than the Lighthouse or Trophy Grille for your private holiday parties, weddings and other special events. Give us a call to schedule yours.

On behalf of our entire staff we thank you for your patronage and support. It is our pleasure to serve you and your guests. We look forward to seeing you soon!

Carrie Holden

Golf Course

Autumn is the time to apply pre-emergent herbicide to keep your lawn weed free during the winter and early spring. Weeds, such as *poa annua*, can be difficult to control after they have germinated. Therefore, a timely pre-emergent application is essential for keeping a weed free lawn during the winter. We will be applying a pre-emergent herbicide in October to both golf courses. Also, it is important to prepare your turf for the cold winter months. Just because the turf has gone dormant and is no longer green and growing does not mean that it is not alive. The plant is still using nutrients to help it survive the winter. It is important to apply a high potassium fertilizer approximately one month before your turf will go dormant in order to help it throughout the winter. If you have any questions about what is happening on the golf course, please feel free to stop in and see me, or you can call at 254-694-0372.

Danny Holt, CGCS, Golf Course Superintendent
